Dear Partner,

Things are off and running as we prepare for the 2011 Harvest Auction to support the work of Central Wisconsin Christian School. One of our constituents and auction friends recently requested to have your name added to our solicitation list. We would love to have you join us to be part of the excitement that surrounds this event!

Central Wisconsin Christian School provides Christ-centered education to nearly 300 preschool-12th grade students in Waupun. We have been well-established parts of our communities for nearly 60 years, and draw students from Fond du Lac, Eden, Beaver Dam, Randolph, Markesan, Fox Lake, Brandon, Burnett, and Waupun. Our students come from 34 different churches and a dozen denominations, while our alumni have become valuable parts of businesses and communities throughout Wisconsin and the entire country. We want to invite you to be a valuable partner in this year's event. Your business name came to us from one of our constituents who is a customer or client of yours.

2010 was another outstanding year for the Harvest Auction. The *CWC State Fair* auction raised \$110,000 and was attended by more than 500 people! This year's event is scheduled for Saturday, September 17th, 2011, with the theme *Gratefully Growing: Celebrating God's Gifts*. At present we are putting the finishing touches on a building project which is unifying CWC into a one-campus setting. This year's auction will take advantage of several new spaces created as part of the current campus expansion project. We would love to have you mark your calendar and make a point of joining us to attend this year's event and sharing in the fun.

This letter serves as an initial contact with you to inform you of what is happening and to let you know that committee members will be starting their contact process in the next month or so. Our goal with the Harvest Auction is to put together a fabulous evening of entertainment and excitement, and the best ever auction list in the history of Central Wisconsin Christian. You can watch the list grow at our website: www.cwcauction.com.

Again we thank you for your contributions to the local community, and we look forward to establishing a partnership to work together for this important work. If you have any questions, feel free to contact Gregg Zonnefeld, Director of Advancement, at the school at 920.318.1349.

Serving the Kids and the King!
