Dear Partner,

Things are off and running as we prepare for the 2011 Harvest Auction to support the work of Central Wisconsin Christian School. For many years you have been one of our valuable partners in contributing to our auctions. We have greatly appreciated your generous donations and support of the work we do at CWC.

2010 was another outstanding year for the Harvest Auction. The *CWC State Fair* auction raised \$110,000 and was attended by more than 500 people! This year's event is scheduled for Saturday, September 17<sup>th</sup>, 2011, with the theme *Gratefully Growing: Celebrating God's Gifts*. At present we are putting the finishing touches on a building project which is unifying CWC into a one-campus setting. This year's auction will take advantage of several new spaces created as part of the current campus expansion project. We would love to have you mark your calendar and make a point of joining us to attend this year's event and sharing in the fun.

You've played an outstanding role as a supporting business partner by providing items or donations. This is a partnership that we highly value and want to continue. This letter serves as an initial contact with you to inform you of what is happening and to let you know that committee members will be starting their contact process in the next month or so. Our goal with the Harvest Auction is to put together a fabulous evening of entertainment and excitement, and the best ever auction list in the history of Central Wisconsin Christian. You can watch the list grow at our website: [www.cwcauction.com](http://www.cwcauction.com).

Again we thank you for your long-standing partnership with us at CWC, and we look forward to many years of continuing to work together for this important work. If you have any questions, feel free to contact Gregg Zonnefeld, Director of Advancement, at the school at 920.324.4233.

Serving the Kids and the King!

Gregg Zonnefeld, Director of Advancement
