

# Grow Your School Incentive Program

The *Grow Your School* incentive program is being implemented as a tremendous opportunity to connect prospective families with Central Wisconsin Christian. This program provides current CWC families with a tangible incentive for actively promoting the enrollment growth of our school!

Currently enrolled Central Wisconsin Christian families will receive a \$1000 tuition credit for **every new family** they refer to CWC that results in an application and completed enrollment. *The intent of the program is to have existing CWC families recruit new families who are not already committed to sending their kids to Randolph Christian, Faith Christian, or Central Wisconsin Christian.*

For a current family to receive the \$1000 credit, the new family must:

- (1) List the referring family on their application form.
- (2) Enroll at least one student in grades K-12.
- (3) Complete one semester of enrollment (credit will be given during the second semester on the January and May tuition bills).
- (4) Credits can be earned and banked by future families and can be designated by other constituency members who earn the credit through a referral.

*There is **no limit** on credits that can be earned!!*

No credit will be given for referring a family currently in our preschool program who has indicated their plans to continue their CWC education. In this Christian community, it is our expectation that a spirit of honesty will prevail with the *Grow Your School* Program. This program is intended to attract new families who were not already committed to sending their children to Central Wisconsin Christian.

Get on board and help *grow YOUR school!* Packets are available by request from the Advancement Office by calling 920.318.1349. Think about who you could invite to join the Christ-centered education experience and the Kingdom impact it could have on the next generation!!
