**Central Wisconsin Christian  
Harvest Auction**

**Saturday, September 22, 2018**

Dear Friends of Education,

We want to welcome you to *Home Sweet Home Wisconsin!!* Last year's Harvest Auction was attended by nearly 600 people and was a special night that raised a record \$171,000. For those of you who attended last year's event, we're glad that you have chosen to return again in 2018. For those of you who are new to our auction events, we extend to you a warm welcome and hope that you'll enjoy your evening.

Tonight's objective is to provide you as an attendee with a fun and exciting night of food and fellowship while together we raise funds for the work of education that takes place at Central Wisconsin Christian. Our goal this evening is to raise \$147,000. How will those funds be disbursed? These funds are a line item in the General Fund Budget that helps to cover the day-to-day operating expenses and the various curricular aspects of the process of pre-school through 12<sup>th</sup> grade education. This translates to nearly \$500 for each enrolled student.

Our approximate schedule for this evening's activities is as follows:

3:30	Silent Auction Tables Open
4:00-6:00	Celebration Meal served in the Commons
6:30	Welcome/Opening Devotions
6:40	Signature Live Auction Begins
10:00	Closing Prayer

Be sure to continue to peruse the Silent Auction tables throughout the night. They'll be closing at different times during the evening, so listen for announcements.

Again, on behalf of all of us, thanks for coming and enjoy your evening!

In Christ,

#### Harvest Auction Leadership Team

Ben & Leah Buteyn	Kevin & Andrea Buwalda
Kim Greenfield	Jeff & Jen Navis
Pete & Tabbie Vander Werff	Mike & Bonnie Vander Berg

# CWC Update

On behalf of the Central Wisconsin Christian Board, we want to share a couple of exciting updates with you on how God is *Building Community* at CWC, as well as give you a look at how our vision for the future of preparing students to glorify God and serve His world is actively moving.

- **Record Enrollment** – We have matched our record enrollment of 337 students which was set in the first year after the merger in 1997.
- **Vision for the Future!** A Vision Leadership Team has been working over the past eight months to look at what are the next steps to serve our students in the present and prepare them for the future. Monday night the Board endorsed that vision, which includes four key components:
  - *Debt Reduction/Elimination* – currently our debt load is \$600,000, most of which is in society notes/loans
  - *The Need—Middle School Classroom space* – we have doubled the size of our middle school student body over the past three years. Additional and larger classrooms are needed
  - *The Opportunity—Reaching Needs of All Students* – we have expanded our student services staff to include full-time teacher and aides. Looking ahead we want to continue to provide services so all students can receive a Christ-centered education
  - *The Future—AgProTech* – enhancing the life-prep of our students to use their hands, feet, skills, and minds to impact God's Kingdom. This program would integrate with our mission and provide classroom and workplace experiences.

Watch for more information to be released on this vision, including listening sessions as we look forward to a vote by our constituency on November 15<sup>th</sup>. Continue to pray as we build community *where Christ is Central!*

## Thank You!!!

It's difficult to know where to begin with thanking people for their contributions to tonight's event. The Leadership Team would like to thank the many, many people who were involved in this year's event as Sub-Group Chairs, subcommittee members, those who donated food, or helped out with inviting guests. Thanks go to the many businesses who have partnered with Central Wisconsin Christian to make this event a reality. Together we are making a Kingdom difference in the lives of God's Kids as we strive in building community!!
