Dear Partner,

Things are off and running as we prepare for the 2018 Harvest Auction to support the work of Central Wisconsin Christian School. For many years you have been one of our valued partners in contributing to our auctions. We have greatly appreciated your generous donations and support of the work we do at CWC.

2017 proved to be a record-breaking year for the Harvest Auction. Our baseball-themed event – *A Night at Crusader Ball Park* – featured a crowd nearly 600 guests who raised an amazing \$171,000 for a great night of celebration and giving. This year's event—***Home Sweet Home Wisconsin***—is scheduled for Saturday, September 22, 2018. We would love to have you mark your calendar for our Wisconsin-themed night and make a point of joining us to attend this year's event and sharing in the fun.

You've played an outstanding role as a supporting business partner by providing items or donations. This is a partnership that we highly value and want to continue. This letter serves as an initial contact with you to inform you of what is happening and to let you know that committee members will be starting their contact process in the next month or so to request a donation for this year's event. Our goal with the Harvest Auction is to put together a fabulous evening of entertainment and excitement, and the best ever auction list in the history of Central Wisconsin Christian.

The hub of information for this year's event is located at cwcauction.com. There you can watch the list grow as items are submitted. There is also the ability for you to submit your own donation by utilizing the donation tool located on the right side of that page.

Again we thank you for your long-standing partnership with us at CWC, and we look forward to many years of continuing to work together for this important work. If you have any questions, feel free to contact the either Kim Greenfield or Gregg Zonnefeld in the Advancement Office at school at 920.324.4233.
