

CWC BASKETBALL CAMP

Open to boys and girls

The coaching staff and players of CWC would like to invite you to the 8th annual CWC Basketball Camp. The girls' and boys coaching staff from CWC, along with current CWC players will teach you the ins and outs of basketball.

The Basketball Camp will be open to the girls and boys entering grades 3-9. The basketball camp will be run from June 23 through June 26, Monday through Thursday.

Campers entering grades 3-5 will be able to learn the basics of dribbling and shooting using the "lower" baskets or normal baskets if they are able. The hoops lower the basket to about 8' high.

The focus of the camp for the 6th -9th will be to first of all develop the individual player's skills in the areas of: ball handling, shooting, passing, offensive moves, and individual defense. Team aspects that will be taught include offensive basics such as pick and role, setting screens, and cutting. We will also teach defensive stance, positioning, and rotation. The amount of time spent on each of these areas will be determined by the abilities of the individual campers, we will move to the more difficult and intense aspects of the game if the campers are mastering the basics. We will provide each player with pointers and drills that will improve their individual skills as well as the skill of the entire group.

The camp schedule is as follows (grade are determined as entering in fall of 2008)

8-9	9:00am-11:00am (no cost for players entering 9 th grade at CWC)
6-7	11:00am-1:00pm
3-5	1:00pm-2:30pm

The cost of the basketball camp will be \$40, which will include a Crusader camp t-shirt. Please return entry form to me by June 11 so we can order the t-shirts and finalize our camp plans.
