

TRIP On Line: How To Get Started

Go to www.shopwithscrip.com. There is also a link on the school website.

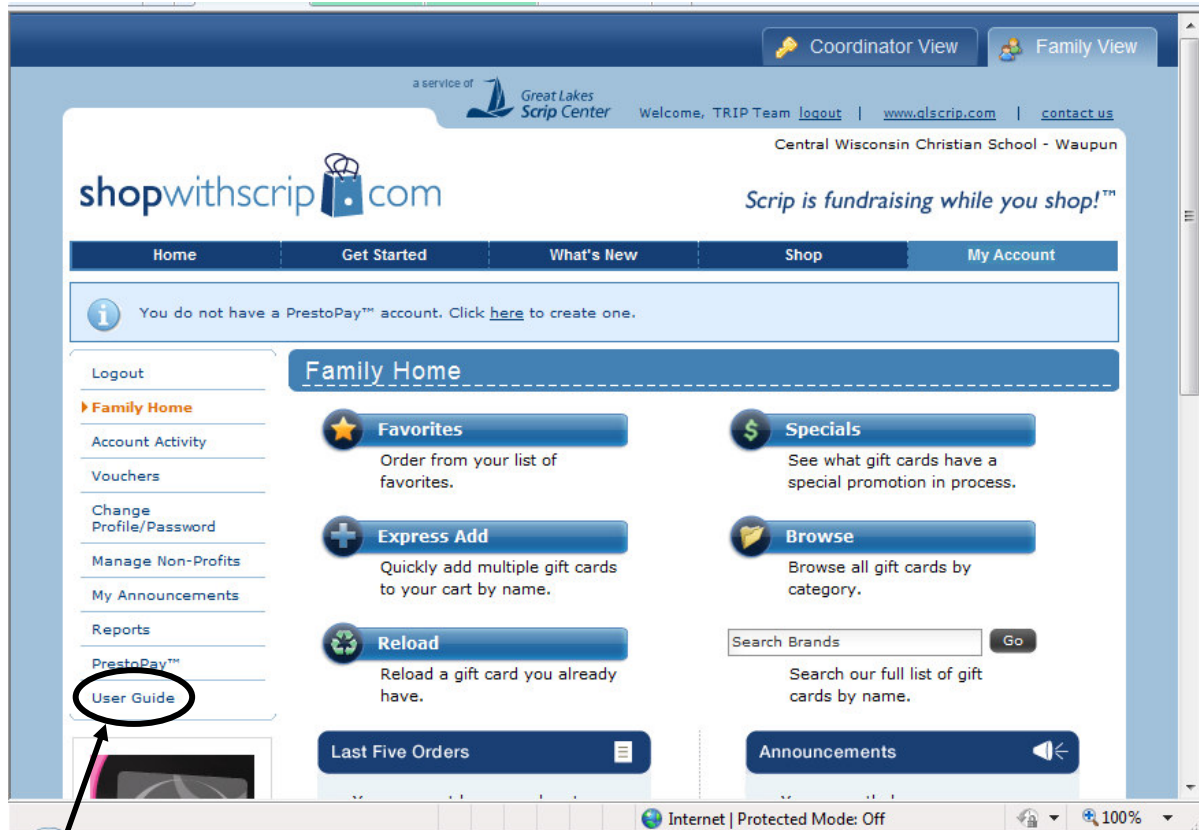

Go to member's login. Do not go to Family Sign up. All of our TRIP families are already in the system.

Username: the email address that TRIP has on file for your family for the 2009-10 school year.
Example: myaddress@gmail.com

Password: your phone number. Example: 920-324-5555 (There is an option on the left hand side of the home page to change your password. We suggest that you do that for security purposes.)

You will then be asked 2 security questions. You will only be asked these the first time you log into the site and then if there are security issues, like forgetting your password. Pick a question, answer it and then submit it – do this twice.

You will now be on the home screen.

At the left hand side of the screen are options for you to personalize your account. There is also a USER GUIDE. Please read through this guide. It explains how to use this website very well.

Place your order. (It must be placed by 5:30 pm on Wednesdays. If changes need to be made to your order, it must be done by 5:30pm on Wednesdays). When you are done, it will ask you how you will be paying. You may either pay by check (a deferred order) or pay on line. If you are paying on line you will have to register for Presto Pay. Presto Pay will take the amount you owe directly from your checking account and will also charge you \$0.39 each time you use this option. It will ask you to print the receipt and submit that with your check to your coordinator. Please print this if you would like and bring the check when you pick up your completed order the following week.

If you have any questions or you would like help the first time, please call Kim at 324-5227. We can set up a time to meet or try to get you going over the phone.
